

25th Year Walnut Industry Golf Event

Hosted by the Walnut Bargaining Association & Introducing the Walnut Alliance

The **Walnut Industry Golf Event**, following the wonderful time of golfing and socializing last year, will be held on **Monday, June 2, 2025** at the Peach Tree Golf and Country Club in Marysville, California. We look forward to celebrating 25 years since the WBA first began gathering industry members together on the golf course.

This is the official announcement of sponsorship opportunities for this increasingly popular industry event. Sponsors receive priority golf registration as space is limited. Please return your sponsorship registration with names of golfers early to secure player slots!

We invite you to participate as an **Industry Sponsor** in order to ensure another successful, fun, and memorable event. The optional levels of sponsorship are as follows:

Platinum Sponsor which includes 8 Golf Registrations	\$3,000 per Sponsor
Premiere Sponsors which includes 4 Golf Registrations	\$1,250 per Sponsor
Blue Tee Sponsors which Includes 2 Golf Registrations	\$625 per Sponsor
Gold Tee Sponsors which Includes 1 Golf Registration	\$350 per Sponsor
Bronze Tee Sponsors with Appropriate Signage	\$200 per Sponsor

The Platinum level receives top billing; Premiere, Bronze, Gold, and Blue Tee Sponsors have signage and recognition in the official Event Program. **Only Platinum and Premiere sponsors may choose their own teams.** These sponsorships help support the pre-event lunch, on-course Happy Cart and event awards presented at the social hour and buffet where all sponsors will again be recognized.

We urge you to participate and celebrate 25 years of joining together for fun and industry unity. Growers, processors, brokers/buyers and suppliers from throughout the California walnut industry will participate. We want to include your sponsorship and participation for a great day of fellowship, enjoyment, and industry cooperation. *Teams will be assigned at the discretion of the event committee. Golfers may request a cart mate.*

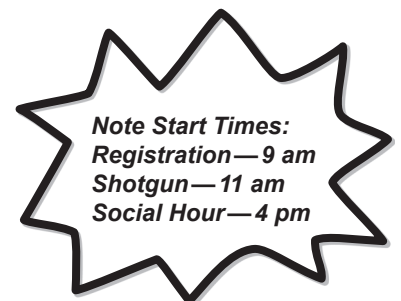

Due to increased interest, mail early to secure your place, and return enclosed sponsor registration by no later than May 14, 2025.

Thanks for Your Support!

The Event Committee

John Heir, Pete Jelavich, Pat Mecklenburg, Donald Norene
